

Redmine - Defect #22831

Rest api no longer return estimated time ,hours spent for master tickets

2016-05-16 15:11 - Filip Endris

Status: Closed	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: REST API	Estimated time: 0.00 hour
Target version:	Affected version:
Resolution: Duplicate	
Description	
<p>Since we upgraded from 1.2.xx to 3.2.1 (this major update is the reason i cant provide version which broke this feature) I can no longer retrieve spent time and estimated time for master tickets this is what i get -></p> <pre><estimated_hours/> <spent_hours>0.0</spent_hours></pre> <p>the ticket itself of course have more than 0 in both fields</p>

Using rest api issues

Environment:

Redmine version 3.2.1.stable.15362
Ruby version 2.1.9-p490 (2016-03-30) [x86_64-linux]
Rails version 4.2.5.2
Environment production
Database adapter Mysql2

SCM:

Subversion 1.6.11
Git 1.7.1

Filesystem

Redmine plugins:

no plugin installed

Server version: 10.1.13-MariaDB MariaDB Server

#3 - 2017-01-07 08:13 - Go MAEDA

- Duplicates Feature #21757: Add Total spent hours and Estimated hours to the REST API response added

#4 - 2017-01-07 08:23 - Go MAEDA

- Category set to REST API

- *Status changed from Needs feedback to Closed*
- *Resolution set to Duplicate*

Fixed by #21757.

estimated_hours and spent_hours for a parent issue are now the value of the issue itself on Redmine 3.1 and later, not the sum of the value of subtasks.

Now you can get the summed value with total_estimated_hours and total_spent_hours on Redmine 3.3.0 and later.
