<b>Description</b>			
Steps to reproduce:			
<ol style="list-style-type: none"><li>1. Open the issues tabs</li><li>2. Group results by an attribute (tracker for example)</li><li>3. Observe that the colspan attribute of the "Group by" row (tr.group) is bigger with one than the number of columns of issue rows (tr.issue).</li><li>4. Because of that, the right border is missing for issue rows and table header</li></ol>
