

Redmine - Defect #23576

Issue export to PDF causes overlapping text for related issues in German locale

2016-08-12 14:06 - JW Fuchs

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	PDF export	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:			
Description			
<p>The Status names are all longer than the default english text. This causes text overlap in the issue export to PDF:</p> <p>text_overlap.PNG</p> <p>We have an even longer status name "Gelöst/Ausgeliefert" (19 characters), therefore the displayed status and date for related issues should be moved separated by at least another 10-15 characters.</p>
