Resolution:	Invalid		
Description			
I have this problem in api Rest.			
cross-origin requests blocked: The same origin policy (Same Origin Policy) prevents reading the remote resource in (http://www.redmine.org/issues.json?key=8c4cc4a8a142484dcbe62b7e86bdfe1cb9045bec&updated_on=%3E%3D2016-09-07T06:12:07Z & limit = 100 & status_id * = & sort = updated_on) . (Reason: CORS header 'Access-Control-Allow-Origin' is not present) .1 (unknown)			

History

#1 - 2016-09-20 13:34 - Eduardo Vieira

blocked cross-origin request: The same origin policy (Same Origin Policy) prevents reading the remote resource in [\(http://www.redmine.org/issues.json?key=8c4cc4a8a142484dcbe62b7e86bdfe1cb9045bec&updated_on=%3E%3D2016-09-07T06:12:07Z & limit = 100 & status_id * = & sort = updated_on\)](http://www.redmine.org/issues.json?key=8c4cc4a8a142484dcbe62b7e86bdfe1cb9045bec&updated_on=%3E%3D2016-09-07T06:12:07Z&limit=100&status_id*=&sort=updated_on). (Reason: CORS header 'Access-Control-Allow-Origin' is not present) (unknown).

#2 - 2016-09-20 13:44 - Toshi MARUYAMA

- Status changed from New to Closed
- Resolution set to Invalid

redmine.org does not enable REST API.

#3 - 2016-09-20 13:44 - Toshi MARUYAMA

- Category changed from REST API to Website (redmine.org)

#4 - 2016-09-20 13:47 - Toshi MARUYAMA

- Category deleted (Website (redmine.org))
