History

#1 - 2008-12-26 10:01 - youngseok yi

After rake tmp:sessions:clear , it is working for me.

#2 - 2008-12-26 10:30 - Philippe Lafoucrière

You're right, thanks. I didn't even know the sessions were server side, I though redmine was using the cookie store by default :)

#3 - 2008-12-27 15:06 - Jean-Philippe Lang

- Status changed from New to Closed

- Resolution set to Fixed

I've committed a fix in [r2183](#) that should prevent this error with old sessions after upgrading.
