| Hi.   |                                  |
| In my company we use the TFS as Source Control System. We would take an feature to integration our repository with Redmine. |                                  |
