Redmine - Feature #2458

add "closed" html class to closed entries in issue list

2009-01-07 15:14 - Gerrit Kaiser

Status:	Closed		**Start date:**	2009-01-07
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	UI		**Estimated time:**	0.00 hour
Target version:	0.8.1			
Resolution:	Fixed			

Description
At the moment all entries get added a class value of the IssueStatus-id (i.e. status-4). It would be great if those statuses that are marked as "closing" would also add the class "closed" to the HTML so it could be styled accordingly, e.g. with a strike-out.
This is similar to [#2337](#2337)

Associated revisions

Revision 2250 - 2009-01-07 21:30 - Jean-Philippe Lang

Adds 'closed' css class to closed issues in the issue list (#2458).

History

#1 - 2009-01-07 21:31 - Jean-Philippe Lang

- Status changed from New to Resolved

- Target version set to 0.8.1

- Resolution set to Fixed

Done in [r2250](r2250). You can now do things like this:

```
tr.issue.closed td.subject { text-decoration: line-through; }
```

#2 - 2009-01-10 11:49 - Jean-Philippe Lang

- Status changed from Resolved to Closed

Fix merged in 0.8-stable.
