

Redmine - Patch #248

Activities by user and term

2008-01-08 05:41 - Hans Yoon

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			

Description

This patches include * activity events by user. * activity events by user defined period.

This dose not include rails form connection.

It is only works users manual url typing.

If you want to use it, you types the following.

http://domain.com/project/activities/project_id?from=YYYY-MM-DD&to=YYYY-MM-DD&user=USER

Like above, from, to and user parameters are newly added into project controller.

In my company, every developers have weekly and monthly report with this page output.

History

#1 - 2008-11-30 15:01 - Jean-Philippe Lang

- Status changed from New to Closed

Patch is obsolete but feature is added in r2071.
