- File Error in Plugin.png added
- Status changed from Closed to Reopened

Hi When i update the plugin i cannot able to do the changes. I have downloaded the plugin from below link

https://github.com/simonswine/redmine_password_tool
https://github.com/go2null/redmine_account_policy

pFA -screenshot of mine.

#4 - 2017-02-26 09:40 - Go MAEDA

- Status changed from Reopened to Closed

It is not a problem of Redmine core, so please contact the author of the plugin.

kindly provide an approach to solve this.

You should say that to the author of the plugins. Plugins are third-party software, not a part of Redmine.
