Well, this might be a matter of taste but I don't find any of both these changes an improvement. I can't speak for the rest, but I don't give this much chance that it'll make it into the core. Nevertheless: YMMV.

#2 - 2017-02-15 12:55 - Andrey Lobanov (RedSoft)

Mischa The Evil, Thanks for your feedback.  
This feature was added to our company redmine's copy by managment request.
