Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:			
Resolution:	Invalid		
<b>Description</b>			
It would be time-saving if Start Date was set to Today when creating a new issue. Especially useful when creating a large group of issues. Another option would be to set the preferred behavior as a project settings or something like that

The feature has been available since a long time ago.  
Go "Administration" > "Settings" > "Issue tracking" page and check the setting "Use current date as start date for new issues".
