Description

Step 1: Create role "Clients" with those Permissions

Path: Administration -> Roles and permissions (Roles) -> New role

I'm uncheck all checkboxes on "Time tracking" area

to see on full size picture press "this"

Step 2: I'm add User to Test Project with this Role

Path: Projects -> Test Project -> Settings -> Members tab

What permissions does your Role in your print-screen? My "Client" Role had [those permissions](#)  
Can you upload screen of your role permissions?

SOLVED with triks

- Step 1: Edit Custom Role "Non member"
- Step 2: Uncheck "View spent time", in "Time tracking" area
- Step 3: Save changes
