Resolution:	Duplicate		
Description			
I use a set of categories in all my projects. I would like to be able to specify a set of categories that's available in all projects.

Is duplicate of Redmine - Feature #1278: Creating global (default) categories.			New 2008-05-21

History

#1 - 2009-01-19 06:45 - Ewan Makepeace

Or allow them to be applied from parent project to all subprojects (optionally, perhaps as a category OR project setting?)
