Redmine - Defect #25212

User profile should link to issues assigned to user or his groups

2017-02-27 17:22 - Felix Schäfer

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:	Jean-Philippe Lang		**% Done:**	0%
Category:	Issues filter		**Estimated time:**	0.00 hour
Target version:	3.2.7			
Resolution:	Fixed		**Affected version:**	3.2.0

Description

On the user profile page, the count of the issues assigned to the user includes issues assigned to groups of the user, whereas the query the link points to does only include issues directly assigned to the user.

The link without groups and count on the user profile page: source:/trunk/app/views/users/show.html.erb@16340#L28
The Issue.assigned_to scope specifically including groups: source:/trunk/app/models/issue.rb@16340#L94

A patch to correct this will follow shortly.

Merged r16626 (#25212).

Revision 16633 - 2017-06-07 21:36 - Jean-Philippe Lang

Merged r16626 (#25212).

History

#1 - 2017-02-27 17:26 - Felix Schäfer

This adds the group ids to the linked query:

```
diff --git a/app/views/users/show.html.erb b/app/views/users/show.html.erb
index 9bb5d6667..14fa080e0 100644
--- a/app/views/users/show.html.erb
+++ b/app/views/users/show.html.erb
@@ -26,7 +26,7 @@
 <h3><%=l(:label_issue_plural)%></h3>
 <ul>
   <li><%= link_to l(:label_assigned_issues),
-        issues_path(:set_filter => 1, :assigned_to_id => @user.id, :sort => 'priority:desc,updated_on:desc')
%>:
+        issues_path(:set_filter => 1, :assigned_to_id => ([@user.id] + @user.group_ids).join("|"), :sort => '
priority:desc,updated_on:desc') %>:
        <%= Issue.visible.open.assigned_to(@user).count %>
   <li><%= link_to l(:label_reported_issues),
        issues_path(:set_filter => 1, :status_id => '*', :author_id => @user.id) %>:
```

A better way would probably be to add the option to also include issues assigned to a user's groups to the issue query, but that's probably a somewhat larger endeavour :-)

#2 - 2017-06-02 07:54 - Mischa The Evil

- Has duplicate Defect #26078: List of issues per assignee doesn't match in profile added

#3 - 2017-06-02 08:10 - Mischa The Evil

- Related to Feature #8153: List assigned issues in user profile page added

#4 - 2017-06-02 08:12 - Mischa The Evil

- Category set to Issues filter

- Status changed from New to Confirmed

- Target version set to 3.2.7

- Affected version changed from 3.3.2 to 3.2.0

Confirmed through [#26078](#):

> I wrote:
>
>> Confirmed on [source:/trunk@16580](#). The root cause of the issue seems to be [#13758](#) (user groups are ignored when filtering on assigned_to equals user). I see two options:
>>
>> 1. fix [#13758](#) by also taking into account the user's groups when filtering on assigned_to equals user;
>> 2. workaround [#13758](#) by changing the used filter ([source:/trunk/app/views/users/show.html.erb@16580#L29](#)) to also include the user's groups instead of just the user (multiple filter values).

Thanks for reporting and providing a patch for this. I can confirm that the patch solves the discrepancy.

I agree. But I too think that your proposed fix suffices for the time being (ie. until [#13758](#) gets implemented). I'll target this issue for inclusion into 3.2.7.

#5 - 2017-06-02 08:14 - Mischa The Evil

- Related to Defect #13758: Issue Filtering 'Assignee = <<me>>' shows group issues, but 'Assignee = Bob' does not added

#6 - 2017-06-07 00:01 - Jean-Philippe Lang

- Subject changed from Discrepancy between assigned to count and linked query on user profile page to User profile should link to issues assigned to user or his groups

- Status changed from Confirmed to Resolved

- Assignee set to Jean-Philippe Lang

- Resolution set to Fixed

Patch committed, thanks.
