### #5 - 2017-03-24 16:23 - Tamara S

- Status changed from Closed to Reopened

Thank you!

Sorry for reopening (I think, there is no need for new issue), but I have problems with tests (with git 2.9) again.

Failure:

```
RepositoriesGitControllerTest#test_diff_should_show_filenames [/trunk/test/functional/repositories_git_controller_test.rb:380]:  
<test.txt> expected but was  
<copied_README>..  
Expected 0 to be >= 1.
```

It seems, that the cure is the same
