<b>Target version:</b>			
<b>Description</b>			
Not sure what format you want your patches in, so I'll just include this here.			
app/views/messages/show.rhtml from release 0.8.0, between lines 32 and 33			
<pre>&lt;%= avatar(message.user, :size =&gt; "32") %&gt;</pre>			
<b>Related issues:</b>			
Related to Redmine - Feature # 4468: Show gravatar images in forum view		<b>Closed</b>	<b>2009-12-22</b>

#### History

##### #1 - 2009-01-29 22:30 - Brad Beattie

Kay, just went and tested this idea out. Two changes.

message.user didn't work, but message.author does. Change app/views/messages/show.rhtml between lines 32 and 33:

```
<%= avatar(message.author, :size => "32") %>
```

The avatars need to float left. Include .message img.gravatar in public/stylesheets/application.css on line 645

```
#history img.gravatar,  
.message img.gravatar {
```

##### #2 - 2009-01-29 22:34 - Brad Beattie

Hrm. On one-line posts, this can cause the subsequent message h4 to indent incorrectly.

##### #3 - 2009-01-29 22:38 - Brad Beattie

```

Well, clear: left is certainly an option, but that would require the *contextual* div to be included in the message div. That makes sense as that's how journal divs are working now and consistency is awesome like that.

**#4 - 2009-01-29 22:50 - Brad Beattie**

- File *application.css* added
- File *show.rhtml* added

**#5 - 2009-01-29 22:50 - Brad Beattie**

- Assignee set to *Jean-Philippe Lang*
- % Done changed from 0 to 90

Okay, done. I just need someone to review it and integrate it if appropriate.

**#6 - 2009-01-29 22:54 - Brad Beattie**

- File *application.css* added

Minor clear: left fix.

**#7 - 2009-01-31 14:37 - Jean-Philippe Lang**

Brad, you should submit your changes using a single patch file.  
It's much more easy to review and apply.  
You can generate a patch file using `svn diff` command.

**#8 - 2009-02-05 07:55 - Brad Beattie**

- File *avatars.patch* added

Right you are, good sir. When I made this ticket I was still getting into the swing of things.

**#9 - 2010-02-25 06:15 - Oshyan Greene**

Is this planned for inclusion in a future version? The forums are a bit hard to read at the moment without visual poster identity context. This would help a lot. Thanks!

**#10 - 2010-02-25 07:55 - Felix Schäfer**

- Status changed from *New* to *Closed*

As far as I can tell, this is a dupe of #4468, which has been fixed in version#6.
