

Redmine - Feature #2609 mailhandler

2009-01-28 09:59 - Frotran Def

Status:	Closed	Start date:	2009-01-28
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Accounts / authentication	Estimated time:	0.00 hour
Target version:			
Resolution:	Duplicate		
Description			
<p>It would be great if the mailhandler can receive mails from unkown users and search through the LDAP-Directory for the e-mail address and add the user automatically. If the e-mail address not found, the ticket is map to a default user.</p> <p>This feature is very useful, if Redmine use as a IT Help Desk (Ticket System).</p>
