

Redmine - Defect #26438

Issues on right click of issues should allow edit on status change event

2017-07-14 09:11 - Shreyas Moolya

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:		Affected version:	3.2.6
Resolution:	Duplicate		
Description			
When I try to change an issue status, with right-click , the views asks me to set a custom field and does not allow me to save the issue and the view also does not show the set custom field as per workflow.			
ldirect edit of calls.png!			
But in the same scenario, when I left-click on the issue and then try to edit the call it asks me to set the custom field as per workflow with the view showing me to set the custom field.

History

#1 - 2017-07-14 10:26 - Toshi MARUYAMA

- Status changed from New to Needs feedback
- Priority changed from Urgent to Normal

Please explain more details and see [submissions](#).

#2 - 2017-07-14 10:59 - Toshi MARUYAMA

I confirmed on 3.3-stable.
But it seems be fixed by [#23755](#) on 3.4-stable.

#3 - 2017-07-14 11:00 - Toshi MARUYAMA

- Related to Defect #23755: Bulk edit form not show fields based on target tracker and status added

#4 - 2017-07-14 11:19 - Shreyas Moolya

- File `the_way_error_is_generated.png` added
- File `custom_field_shows_properly.png` added

Toshi MARUYAMA wrote:

Please explain more details and see [submissions](#).

When I try right click from the issues page, on the issue, I get a validation error for the custom field(Actual Start Date) to be set but the view doesn't show the custom field.

(1-7/7) Also available in: Atom | CSV | PDF

validation error shown but the view doesnt show that custom field

Edit

- Status
- Tracker
- Priority
- Assignee
- Watchers
- Watch
- Log time
- Copy
- Delete
- Quick Edit
- Quick View

But when i click on 'Edit' and then try to change the status the same custom field is shown and the field can be set.

Edit Edit Log time Watch

Change properties

Notes

B I U S C H1 H2 H3 pre

I am currently using the redmine 3.2.6 but this problem am facing since earlier version like 3.1.x.

#5 - 2019-06-19 09:39 - dan hamilton

- File 114.pdf added

#6 - 2019-06-19 10:44 - Go MAEDA

- File deleted (114.pdf)

#7 - 2024-06-22 07:53 - Go MAEDA

- Status changed from Needs feedback to Closed

- Resolution set to Duplicate

Toshi MARUYAMA wrote in [#note-2](#):

But it seems be fixed by [#23755](#) on 3.4-stable.

Closing as a duplicate of [#23755](#).
