Resolution:				

Description
Hi!
Here's a patch that adds a filter for spent time to IssueQuery. Any chance this could be included in the next 3.3 and 3.4 versions?

Revision 18112 - 2019-04-30 12:52 - Go MAEDA

Issue filtering by spent time (#26826).

Patch by Tobias Umbach and Takenori TAKAKI.

Revision 18113 - 2019-05-01 01:48 - Go MAEDA

Group time tracking filters in the filter select list (#26826).

History

#1 - 2017-09-15 15:59 - Anonymous

- File issue-filter-by-spent-time-2.diff added

Here's an updated patch based on feedback that meineerde gave me on IRC.

- An unknown operator leads to invalid SQL, return nil early instead
- NUMERIC is a non-standard PostgreSQL type, use DECIMAL instead

#2 - 2017-09-28 13:20 - Toshi MARUYAMA

- Target version set to 4.1.0

#3 - 2018-02-26 07:57 - Mischa The Evil

- Has duplicate Feature #13947: Add spent time issue list filter added

- File 26826-note4-after@2x.png added

- File issue-filter-by-spent-time-3.diff added

I think it would be better to move the position of "Spent time" filter in the filters list. The reasons are as follows:

- The proposed patch places the filter in the third position. I think it is a too excellent position for the filter because most users don't use the filter so frequently.
- "Spent time" and "Estimated time" are closely related to each other. These two filters should be next to each other.

Attaching an updated patch.

#5 - 2018-09-20 09:12 - Takenori TAKAKI

- File issue-filter-by-spent-time-4.diff added

I tested the patch "issue-filter-by-spent-time-3.diff" posted by Go Maeda.
As a result, I found that it is necessary to add a fixture of time_entrys to the test code "test/unit/query_test.rb".
Tests were done with MySQL, PostgreSQL, SQLite and all succeeded.
I attach a new patch that added fixture.

#6 - 2018-09-20 09:53 - Takenori TAKAKI

- File issue-filter-by-spent-time-5.diff added

I noticed that 'expected' and 'actual' are reversed on the added assertions.
Attaching an updated patch.

#7 - 2019-04-30 12:58 - Go MAEDA

- Status changed from New to Closed

- Assignee set to Go MAEDA

Committed the patch. Thank you for improving Redmine.
