Target version:			
Resolution:			

Description

I want to transmit the notice of addition and the change of the ticket to the e-mail address of the whole projects such as mailing lists.

model and view patch.

"ticket" is wrong. I wanted to convey "issue".

#2 - 2009-02-10 00:57 - Eric Davis

Could you add some tests to confirm the behavior?

#3 - 2012-07-31 10:57 - Rachid B

- Status changed from New to Resolved

I think this plugin provides that functionality:

https://github.com/ajwalters/redmine_project_specific_email_sender

#4 - 2020-02-29 13:49 - Go MAEDA

- Status changed from Resolved to Closed

Redmine 3.2.0 or later supports project-specific email addresses (redmine+project@example.com). See #20732 for details.
