Adds watch/unwatch link on the issue context menu (#2730).

#### History

---

##### #1 - 2009-02-12 23:18 - Jean-Philippe Lang

- Status changed from New to Closed
- Target version set to 0.8.2

Feature added in r2460.

Slight changes were made to the patch:

- only the link is rendered (no need to make any change to the css)
- no li tag is rendered if user is not logged in

Thanks.
