- Related to Feature #20812: Highlight overdue issues and private issues in issue list added

#2 - 2017-10-28 08:41 - Go MAEDA

- Tracker changed from Defect to Feature

- Subject changed from Do not mark in red the end dates expired in the issues view to Highlight due date of overdue issues in the issues list

- Category changed from Issues to Issues list

#3 - 2017-10-28 09:10 - Go MAEDA

- File 27316-highlight-overdue-issue.diff added

- File highlight-overdue-date@2x.png added

I think the request is reasonable. Highlighting due date of overdue issues in the issues list as well as an individual issue page will improve usability and consistency.

I wrote a patch to implement this request.

@Go MAEDA

I'm just curious...

Is there a reason/strategy behind assigning this one line change to 4.1.0 instead of an earlier release?

Jean-Philippe Lang wants to release Redmine 4.0.0 as soon as possible. Therefore, I don't add open issues for Redmine 4.0.0.
