Target version:	3.3.6	Affected version:	3.3.5
Resolution:	Fixed		

Description

We can check / uncheck multiple checkboxes by clicking "☑" icons in WorkflowsController#edit page.

But the "☑" icon at the upper left corner, supposed to be able to check / uncheck all checkboxes, is not working as expected. "Check all" works fine but "Uncheck all" does not work at all.
