<b>Description</b> I'd like to know if someone post comment to a new item. This is very useful to track users' feedback.  I tried to implement this feature myself but failed. If someone knows how to do this please tell me and I may code...	
<b>Related issues:</b> Is duplicate of Redmine - Feature #2074: Sending email notifications when com... <b>Closed</b> <b>2008-10-23</b>	

### History

I agree, this is really important! At the very least to include it as an activity feed option.

#### #2 - 2009-03-16 14:58 - Powen Shiah

I just realized this is a duplicate of [#2074](#) -- what's the appropriate way to consolidate these?

#### #3 - 2009-03-18 10:52 - Thomas Pihl

Making a comment about it just as you did is usually sufficient. Some admin will link and close the dup.
