Redmine - Defect #28356

Jump to a project not showing whole project name

2018-03-18 12:11 - Simon Tržan

Status:	New	**Start date:**	
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	UI	**Estimated time:**	0.00 hour
Target version:			
Resolution:		**Affected version:**	3.4.4

Description

When having nested projects or longer project names the drop down menu "Jump to a project" does not resize to content and project names are trimmed at the end.
It is impossible to distinguish projects from each other if the difference between project names is only at the end.
