Description

this test probably never acually worked

```
Issue.order('id DESC').limit(issues.size)
```

issues.size was zero in rails < 5.2, it tests nothing

after this change it fails
https://github.com/rails/rails/commit/06f45435da941d713afefd3140421d1ced7abbdc

so I removed it

I think it is better to modify the test to work rather than simply deleting it.
