

## Redmine - Feature #2944

### Time filter fractions of a day

2009-03-10 13:11 - Thomas Pihl

<b>Status:</b>	New	<b>Start date:</b>	2009-03-10
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Issues filter	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Resolution:</b>			
<b>Description</b>			
<p>We have customers who use redmine in business critical workflows where responsetimes are measured in hours instead of days.</p> <p>Before r2054 we where able to (miss)use filters for created_at and updated_at with fractions of a day (0,25 days = 6 hours and so on) together with some rss/atom application to keep track of new issues matching the filter.</p> <p>It would be real useful if there where a way to filter on hours as well.</p> <p>/T</p>
