Redmine - Feature #29687

Keep history for comment editions

2018-09-27 15:07 - Peter Volkov

Target version:				
Resolution:	Duplicate			

Description
Whenever I edit a comment it is updated but as far as I can see there is no history for that. We need history for all changes in the redmine. At least for comment edits.
Probably this was reported in [#9441](#) but due to bad style, it was considered as spam.
