**#7 - 2018-11-05 03:44 - Go MAEDA**

- Status changed from Reopened to Closed
- Target version deleted (Candidate for next major release)

Committed the patch again. Thanks.

I don't set the target version of this issue because I think this is a fix for [#26576](#), one of a new feature of Redmine 4.0.0 which is not released yet (no releases are affected by this issue).

**#8 - 2019-02-03 12:29 - Go MAEDA**

- Has duplicate Feature #8254: Add previous/next functionality in diffs added
