

Redmine - Patch #30137

Remove rails-html-sanitizer from Gemfile

2018-12-09 03:38 - Go MAEDA

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Go MAEDA	% Done:	0%
Category:	Code cleanup/refactoring	Estimated time:	0.00 hour
Target version:	4.0.0		

Description

Redmine installs rails-html-sanitizer to ensure that not to use vulnerable versions prior to 1.0.3.

But it is not necessary any longer because Rails [actionview 5.2.2](#) requires rails-html-sanitizer 1.0.3 or later.
