

Redmine - Defect #30809

Spent time report > CSV not obeying filters

2019-02-14 09:14 - Maxim Krušina

Status: Closed	Start date:
Priority: Urgent	Due date:
Assignee:	% Done: 0%
Category: Time tracking	Estimated time: 0.00 hour
Target version:	Affected version: 4.0.1
Resolution: Duplicate	
Description	
When exporting time sheet from Project / Spent time / Report, the exported CSV contains much more information than visible on screen - in my case, it contains all versions from all projects, not only from the current one.

I can reproduce this on 4.0.2. It looks like this is regression related to #13618.

Steps

1. Navigate to a project
2. Navigate to Spent time of the project
3. Select Report, Details: Month, Add: Project
4. Download as CSV

Expected result

CSV file containing spent time entries of the current project

Actual result

CSV file containing monthly spent time of every project

I think this problem is related to #31511.

#31511 was fixed in Redmine 4.0.4.

#31511 was fixed in Redmine 4.0.4.*

Exactly. Thank you for pointing it out.
