Redmine - Defect #31587

Time Entries REST API user_id parameter doesn't work

2019-06-18 18:10 - Serhiy Valchuk

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	REST API		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Cant reproduce		**Affected version:**	2.1.2

Description

I'm trying to use Time Entries REST API and it works as expected except user_id parameter.

When I tried to get time entries
https://myredmine/time_entries.json?key=mykey&from=2019-06-01&to=2019-06-30&limit=5&user_id=5 I'm getting time entries of all existing users.

Any suggestions?

- Status changed from New to Needs feedback

I cannot reproduce the issue with Redmine 4.0.5.devel.19345. The following request returns time entries of user_id 2.

```
curl 'http://redmine-trunk.test/time_entries.json?from=2000-01-01&to=2019-12-31&user_id=2'
```

#2 - 2024-01-21 02:21 - Go MAEDA

- Status changed from Needs feedback to Closed

- Resolution set to Cant reproduce
