

Redmine - Defect #31778

Total estimated time issue query column and issue field might leak information

2019-07-23 17:05 - Felix Schäfer

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Go MAEDA	% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:	3.4.12	Affected version:	
Resolution:			
Description			
<p>The total estimated time information will show the sum of the estimated times of the issues and its subissues. This calculation does not verify if the current user is allowed to see the sub issues though, which might lead to an information leak.</p> <p>Attached is a patch with a test for this issue. This patch was created and contributed by Gregor Schmidt.</p>
