Target version:	2.2.0		
Resolution:			
Description			
<p>It would be nice to have the ability to see all the related issues in a column when listing all the issues.</p> <p>The idea here is to have quickly all the bugs related to the features easily.</p> <p>Sure we can get it going to each issue but it would be nice to see them all at once. It would be easier to create reports of Feature x Feature's Bugs this way.</p>			

Associated revisions

Revision 10513 - 2012-09-29 14:57 - Jean-Philippe Lang

Makes related issues available for display and filtering on the issue list (#3239, #3265).

Revision 10515 - 2012-09-29 15:03 - Jean-Philippe Lang

Filling locales (#3239, #3265).
