

Redmine - Patch #32787

Redmine 4.0 no longer supports Ruby 2.2

2020-01-12 05:45 - Go MAEDA

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Go MAEDA	% Done:	0%
Category:	Documentation	Estimated time:	0.00 hour
Target version:	4.0.7		
Description			
After updating Rails to 5.2.4.1 (#32526), Redmine cannot be run with Ruby 2.2 because of the following change in Rails that uses & operator which has been introduced in Ruby 2.3. https://github.com/rails/rails/commit/92ec9f270d696a17ba7604b3d02931f07c3e7c6a			
We should update source:branches/4.0-stable/doc/INSTALL in order to correctly tell the supported Ruby versions.
