| Resolution: | Fixed | | |
| Description A deprecation warning "Single arity template handlers are deprecated" is shown in Rails 6. <pre>\$ bin/rails test test/unit/attachment_test.rb . . . DEPRECATION WARNING: Single arity template handlers are deprecated. Template handlers must now accept two parameters, the view object and the source for the view object. Change: >> Redmine::Views::ApiTemplateHandler.call(template) To: >> Redmine::Views::ApiTemplateHandler.call(template, source) (called from <top (required)> at /path/to/redmine/lib/redmine.rb:353)</pre> | | | |
