+1. Yes, this should be very important to become MUST PUT NOTE when issues are moved across versions or at least across the projects.

#2 - 2013-03-22 11:59 - Toshi MARUYAMA

- *Category set to Issues*

#3 - 2016-01-03 05:25 - Go MAEDA

- *Status changed from New to Closed*

- *Resolution set to Fixed*

The feature to move an issue was integrated with the update form by #4769 and now we can write a note when we move an issue.
