

Redmine - Feature #33302

What about the editor for "%Done" be a numeric editor with a spinbox

Category:	Issues	Estimated time:	0.00 hour
Target version:			
Resolution:			
Description			
Currently it is a combobox with 11 options: 0%, 10%, ..., 100%			
Recently I'm reading a book called "mini habit", and got a demand that updating "%Done" a little for usual.			
Thanks
