| <b>Status:</b>         | New                              | <b>Start date:</b>     |           |
| <b>Priority:</b>       | Normal                           | <b>Due date:</b>       |           |
| <b>Assignee:</b>       |                                  | <b>% Done:</b>         | 0%        |
| <b>Category:</b>       | Accounts / authentication        | <b>Estimated time:</b> | 0.00 hour |
| <b>Target version:</b> | Candidate for next major release |                        |           |

#### Description

When LDAP cannot be connected for some reason, the following message is displayed.

before.png

The error message is displayed as it is, but I don't know if it is a message from LDAP. You can understand that it is an LDAP message by adding a fixed message to the beginning as shown below.

after.png

#### History

##### #1 - 2020-05-02 07:14 - Go MAEDA

- Target version set to Candidate for next major release

##### #2 - 2020-09-13 04:26 - Go MAEDA

- Category set to Accounts / authentication
