

Redmine - Patch #33437

Add missing icon class to items with icon-checked class in the context menu

2020-05-13 07:33 - Mizuki ISHIKAWA

| Target version: | 4.2.0 | | |

Description

Neither .icon class nor .icon-only class exists in context menu link with green check icon.
It looks fine, but inconsistent compared to other icon links.

There is a problem when changing the icon style depending on the theme, so please fix it.

I didn't realize there is a style for context menus only.

Thank you for reviewing!
