Redmine - Defect #33877

REST API: No way of removing Assigned To when Issue is assigned

2020-08-20 13:10 - Lukas Wagner

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**

Category:	REST API		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Duplicate		**Affected version:**	4.1.0

Description

I'd like to remove the Assigned To User from an Issue but didn't find a way to do that when using the PUT-Request.

Hope this is possible via current REST API, if not I'd love to see that in the future.
