Description
This feature should be documented on RedmineKeyboardNavigation.

Related issues:		
Follows Redmine - Feature #29473: Submit a form with Ctrl+Enter / Command+Return		**Closed**

History

#1 - 2020-08-28 05:37 - Mischa The Evil

- Follows Feature #29473: Submit a form with Ctrl+Enter / Command+Return added

#2 - 2020-08-28 05:46 - Mischa The Evil

Especially should be made clear where this feature is and isn't available. All forms? From all active form elements?
