#2 - 2020-09-08 10:10 - Marius BĂLTEANU

- Description updated
- Status changed from New to Closed
- Resolution set to Invalid

You missed at least one migration, please see

https://github.com/redmine/redmine/blob/master/db/migrate/20180501132547_add_author_id_to_time_entries.rb

You should check again all the migrations which could be quite hard if you manage all the migrations manually.
