Description

Hello,

It is possible to copy existing Issue, but without "Assignee"? In current situation, when somebody copy issue, then automatically are copying all fields. I would like to have situation, when after copy "Assignee" "Due date" and "Est hours" (custom field) will be empty.

Maybe is plugin for that solution. I am new in Redmine world so I hope that you can help me.

Thank you in advance!

You can set those fields empty when copying an issue.
