

Redmine - Defect #34618

Cannot sign in when both enabling two-factor authentication and changing password are required

2021-01-23 08:12 - Go MAEDA

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Go MAEDA	% Done:	0%
Category:	Accounts / authentication	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Fixed		
Description			
<p>If a user is required to both enable two-factor authentication and change their password, the user will never be able to sign in due to a redirect loop between /my/password and /my/twofa/totp/activate/confirm.</p> <p>You can reproduce the issue by the following steps:</p> <ol style="list-style-type: none">1. Set "Two-factor authentication" (in Admin > Settings > Authentication) to "required"2. Enable "Must change password at next logon" for a user without two-factor authentication enabled3. Try to login with the user <p>Started GET "/" for 127.0.0.1 at 2021-01-23 15:51:42 +0900 Processing by WelcomeController#index as HTML (snip) Redirected to http://redmine-trunk.test/my/password Filter chain halted as :check_password_change rendered or redirected Completed 302 Found in 7ms (ActiveRecord: 1.7ms)</p> <p>Started GET "/my/password" for 127.0.0.1 at 2021-01-23 15:51:42 +0900 Processing by MyController#password as HTML (snip) Redirected to http://redmine-trunk.test/my/twofa/totp/activate/confirm Filter chain halted as :check_twofa_activation rendered or redirected Completed 302 Found in 20ms (ActiveRecord: 3.5ms)</p> <p>Started GET "/my/twofa/totp/activate/confirm" for 127.0.0.1 at 2021-01-23 15:51:42 +0900 Processing by TwofaController#activate_confirm as HTML (snip) Redirected to http://redmine-trunk.test/my/password Filter chain halted as :check_password_change rendered or redirected Completed 302 Found in 7ms (ActiveRecord: 1.7ms)</p>

+1

This is the defect I reported to Maeda-san on twitter. Thank you for the rapid issuing.

#5 - 2021-01-30 08:16 - Go MAEDA

- File 34618.patch added

Attaching a patch to fix the issue.

#6 - 2021-02-02 08:15 - Go MAEDA

- Status changed from New to Closed

- Assignee set to Go MAEDA

- Resolution set to Fixed

Committed the fix in r20734 as a part of #1237.
