Description		· · · ·		
Using Redmine (	).8.			
When creating a	new tracker, it would nice to have	a "for all projects" checkbox.		
<ul> <li>setup the workf</li> </ul>		ating them to copy the first tracker wo	orkflow.	
This saved some	editing but then I had to go to eve	ery project and associate the trackers	s to the projects.

- Resolution set to Duplicate

Closed as duplicate of issue <u>#2578</u>. This is already implemented in the current Redmine trunk (<u>r2335</u>) which will eventually be included in a release of Redmine <u>0.9.0</u>.
