Redmine - Feature #34942

Support for Git repositories with default branch "main"

2021-03-20 06:31 - Go MAEDA

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:	Go MAEDA		**% Done:**	0%
Category:	SCM		**Estimated time:**	0.00 hour
Target version:	4.2.0			
Resolution:	Fixed			

Description

Since GitHub renamed the default branch name from "master" to "main" in 2020, more and more Git repositories in the world have the default branch of "main" instead of "master". However, Redmine does not recognize "main" branch as the default branch.
https://github.com/github/renaming

After applying the attached patch, "main" will be recognized as the default branch in addition to "master".
