

Redmine - Defect #3496

"Assign To" filter on "View all issues" page allows to select user which cannot be assigned

2009-06-14 00:49 - Markus Knittig

Status:	Closed	Start date:	2009-06-14
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Cant reproduce		
Description			
Steps to reproduce:			
<ul style="list-style-type: none">Go to "Projects"Click on "View all issues"Add "Assign To" filterAll registered users are shown, even if they have a role which cannot be assigned to issues.			

History

#1 - 2009-06-14 10:37 - Jean-Philippe Lang

Unable to reproduce. On the cross-project issue list, users who belongs to the current user's projects are shown, not all registered users.

#2 - 2009-06-14 11:57 - Markus Knittig

Your right, but a user who cannot be assigned to an issue should still not be shown in the "Assign To" filter. That makes no sense...

#3 - 2009-06-15 04:46 - Felix Dominguez

I was able to reproduce with revision 2791 of the trunk.
I'm looking into it.

#4 - 2013-03-17 14:02 - Anonymous

I cannot reproduce this in Redmine 2.2.3. First off, there is no "Assign To" filter. So I'll assume that this was an older name for "Assignee". I added a new test user to my tracker who is not a member of any project. It was then not possible to select that user in the "Assignee" field.

#5 - 2013-03-17 16:08 - Daniel Felix

- Status changed from New to Closed
- Resolution set to Cant reproduce

I'm also not able to reproduce this.

Please reopen this issue if this is still reproduce able in the current releases.
