| Description | | | |
| <p>Hi,</p> <p>can there be a feature in which the administrator could modify the email settings of the user. I don't want to include every user in the watch list. i'm not sure but i do remember bugzilla having this feature. bugzilla administrator can control bugmail.</p> <p>It can be present in the View User Page.</p> <p>Thanks</p> | | | |
