

Redmine - Defect #35168

Activity tab not showing recent data

2021-04-27 08:02 - David L

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Activity view	Estimated time:	0.00 hour
Target version:		Affected version:	4.1.1
Resolution:			
Description			
<p>Even though I committed a change, it does not show up in Activity.</p> <p>Issues, Changesets and News were enabled in the Activity view filters.</p> <p>I have noticed this problem with regular issues in the past. I linked Redmine to revisions and now see it with that.</p>			

History

I am having this problem too.

OS: Linux

Redmine v: 4.2.2.stable

Ruby version 2.7.4-p191 (2021-07-07) [x86_64-linux]

Rails version 5.2.6

Environment production

Database adapter MySQL2

#2 - 2021-09-17 14:48 - Victor Reinhart

I found that this bug doesn't happen in the morning, but does happen in the evening after 5 PM PST. Also, there is a workaround where I change the date in the upper-right to tomorrow's date, and it does work.

This makes me suspect the problem is that the datetime calculation is using UTC time incorrectly. By 5 PM PST it's the next day in Greenwich, England.
